# THEME

High School, College, and University students in the DFW Metroplex area are cordially invited to participate in our 2<sup>nd</sup> Annual Art Contest hosted by the Dialogue Institute Dallas. This contest encourages students to showcase their creativity through original works of art centered around the profound theme of "**Empathy: Walking in another's shoes.**"

This contest theme invites students to explore the ways in which their art can promote harmony, peace, and mutual understanding. We encourage students to reflect on their unique experiences and perspectives in their "**Empathy: Walking in another's shoes.**" submission.

**Subtopics for the "Empathy: Walking in another's shoes." include, but are not limited to:**

- **How Would I Feel if I Were in Your Shoes?:** Encouraging students to depict scenarios where they imagine themselves in someone else's situation, experiencing their emotions and challenges, illustrating the importance of empathy in understanding and connecting with others.
- **Empathy in Action for Social Justice:** Showcasing how empathy can drive actions that promote fairness, equality, and human rights, highlighting the role of empathy in advocating for justice and peace.
- **Empathy in Education and Building Global Citizens:** Encouraging students to think about their role as responsible global citizens and the importance of education in fostering empathy and understanding across cultures.
- **Empathy in Everyday Life and Community:** Depicting simple, everyday moments where empathy makes a difference in someone's life, emphasizing the impact of empathy on building inclusive and harmonious communities.
